### 3. [Stanley W. Strew Education Fund](#)

Applications are available for students who are currently attending college in an agricultural/horticultural related field or who are entering or returning to college in an agricultural/horticultural related field in the fall of 2025.

Priority will be given to students at the junior or senior standing in the fall of 2025.

Master's degree/doctorate students are NOT eligible.

Students attending junior or community college ARE eligible.

Students who hold a DPR license (QAC, QAL, PCA etc.) ARE eligible.

Students who meet the eligibility requirements are invited to apply annually (even if they have received the scholarship previously).

### 4. [4-H Higher Education Scholarships](#)

The University of California 4-H Youth Development Program supports continuing education after high school. If you are - or were - a California 4-H member when you received your high school diploma, you may qualify to apply for 4-H Higher Education scholarships to continue your education at accredited vocational schools, colleges, or universities.

### 5. [California Farm Bureau Scholarships](#)

The California Farm Bureau Scholarship Foundation was organized to give aid to students with a desire to pursue a career in the agricultural industry. Scholarships are awarded annually based upon academic achievement, career goals, extracurricular activities, determination, leadership skills and a commitment to study agriculture.

6. [American Agri Women Scholarships](#)

One focus of American Agri-Women Foundation is education both of young people and of AAW members. To this end the Foundation gives academic scholarships and first-time attendee event scholarships. We encourage you to apply for the scholarships for which you are eligible.

7 [The Garden Club of America](#)

GCA scholars study at institutions across the nation and some will conduct fieldwork across the globe.

8 [Sullivan Supply Scholarship](#)

Each year, Sullivan Supply offers 20 scholarships of \$1,000 each to youth displaying a great passion for the livestock show industry and/or livestock production. Applications are now closed for 2025

Candidate must be a graduating high school senior or college student 21 years of age or younger; resident of the U.S. or Canada, and not a previous Sullivan scholarship winner. An agriculture major or a career goal in livestock is not a requirement but a continued future involvement in the livestock industry is.
